

Royal Pre Season Cup Tournament Rules

Date: Saturday August 12th, 2023.

Competition: One day 11v11 tournament.

Reporting Scores:

Pitch marshals and referees will report scores.

Officiating:

Qualified officials will officiate each game.

All 11v11 matches will be officiated by a central referee and 2 assistant referees.

Match Length:

25 minute halves, with 5 minute half time.

Clock is a running clock. Injury time will only be added in the event of a major/serious injury stoppage of more than 5 minutes. Otherwise, no injury time will be added.

In championship matches, if the result is a tie, there will be no extra time. The game will be decided by FIFA penalty kicks.

Kit Color Clash:

If teams have the same color uniforms and the referees deems it to be a clash, the team listed as the home team will change into the alternate jersey color.

Substitutions:

This event will follow FIFA rules where substitutions can be made at any stoppage with the consent of the official. Unlimited re-entries are allowed.

Weather:

In the case of inclement weather every attempt will be made to play all scheduled games in the tournament. At the sole discretion of the tournament director/committee, some games may be declared a 0 – 0 draw and not made up. The following priority will be given to making up games:

1. Teams that have not yet played a game in the tournament.
2. Teams that have only played one game in the tournament.
3. Games that will have a material impact on the final standings.
4. All other games.

The lightning policy for the tournament is as follows: At the first visible sign of lightning (regardless of the estimated distance from the field) all play will be stopped, and players and spectators will be asked to move to a safe location. For all games that were in progress the game clock will continue to run. If time runs out and the game was at or past half time when play was stopped, the result at the time of play being stopped will stand.

When play is stopped, or resumed, due to lightning, it is at the sole discretion of the referees and the tournament director/committee. Both referees and tournament officials will enforce strict adherence to the above policy. No appeals will be allowed. Personal safety is the number one concern of the tournament, and it will supersede any game situation.

The Tournament Director/Committee will have the ultimate decision in any weather-related delay, make- up time/game, and game result.

Team withdrawals:

If a team is fully responsible for the termination of a game due in part to poor sportsmanship towards a referee, opposing team/fans will result in a forfeit. The team responsible for the forfeit will incur a 0-3 loss.

No shows/forfeits: If a team does not show with the minimum number of players or fails to show – this will result in a forfeit of a 0-3 loss that will be recorded.

Advancement to Championship Final Play (if applicable):

Group/Bracket winners are determined by the total points earned within their bracket (Win = 3 points, Draw = 1 point, Loss = 0 points). In the event of teams being equal in points within their group/bracket after the qualifying games, advancement to championship play or the championship/bracket winning will be determined according to the following:

1. Head to Head
2. Goals For (number of goals your team has scored).
3. Goals Against (number of goals allowed).
4. Most clean sheets.
5. Penalty Kicks

In the case of a two-way tie the above rules will be applied until one team is eliminated.

However, in a Three-way tie, the Head to Head criteria becomes moot and advancement rules will start at criteria 2.

Championship Final:

Championship matches will be regular in duration with a five-minute interval between halves - unless the tournament committee determines that championship matches need to be shortened due to weather or other unforeseen circumstances.

In the event the match is draw, there will not be extra time, it will go straight to FIFA rules for the "Taking of kicks from the penalty mark" shall apply. Teams will alternate kicks at the same goal, with the goal selected by the referee. Best of five, (or more, if necessary), kicks shall prevail. All eligible players, including the goalkeepers, must kick before any player may repeat. Only players on the field at the end of extra time will be eligible to take kicks, these players must remain within the field of play after the conclusion of extra time.

If one of the two teams qualifying for the championship game declines to appear, at the discretion of the Tournament Committee, the next highest ranked team in that division, based upon tournament record may be substituted for the team declining to appear.

Player Safety:

The following shall be permitted for player safety:
